

# FALL 2023-SPRING 2024

Laws of the Game – Our referees are USSF Officials, educated and licensed through Indiana State Referee Association. Our club's rules are based in the Laws of the Game as adapted for youth soccer play by US Youth Soccer and Indiana Soccer. A helpful place to find information online about the rules of soccer is [usyouthsoccer.org/referees/rules-of-the-game](http://usyouthsoccer.org/referees/rules-of-the-game).

There is no rule in any division preventing a team from scoring at kickoff, HOWEVER we do not believe it promotes good sportsmanship or the fundamentals of the game. This is not a competitive league; **it is up to the coach** to train in a way that encourages growth of individual players and the team as a whole.

Players Pursuant to USYS guidelines for recreational soccer club play, all players are expected to play at least half the game.

Coaches are encouraged to have players try as many positions as possible.

Players at the Junior, Intermediate and Senior levels may not play more than two quarters as goal keeper during regular season matches.

Per Law 4: The Player's Equipment, "A player must not use equipment or wear anything that is dangerous. **All items of jewelry** (necklaces, rings, bracelets, earrings, leather bands, rubber bands, etc.) **are forbidden and must be removed.** Using tape (or bandaid) to cover jewelry is not permitted."

On throw-ins, the defending players must be 2 meters from the player attempting the throw-in. An indirect kick will be awarded at the point of the infraction for violations.

Player Injuries – If play is stopped for player injury, the injured player must leave the field in substitution.

Coaches Coaches and players **must** sit on the opposite side of the field from spectators.

The spectator area is directly across the field from the team benches. ***Spectators are NOT PERMITTED near or behind a team's bench, in the team or officials' areas or behind the end lines of the field.***

Coaches must remain on their respective half of the field between a line at least 10 yards from the center or mid line and their own 18 yard mark. Feel free to use this entire area for social distance amongst players. **Only two coaches** per team are allowed on the players' side of the field and **must wear the season-specific coach's shirt in order to be easily identifiable by the referee**.

Coaches and players should maintain a reasonable distance from the touch line, a minimum of 4'. *Coaches are not permitted to enter the field of play unless given permission to do so by the referee.*

Teams are expected to remove all trash and recyclables from their bench area following each game. Everyone is encouraged to help keep the complex free of debris.

Substitutions Player substitution is unlimited if substitutions are allowed in the division. A substitution may only occur when that team is in possession of a throw-in, following a score, on a goal kick for either team or following an injury. A referee may, at his discretion, also allow substitution for the opposing team on a throw-in if both teams are substituting players.

>> All substitutions must take place at the mid line. <<

Slide Tackling – Tackling the ball away from an opponent by sliding (aka slide tackling) is **NOT PERMITTED** in any division of Gibson County Soccer. Deliberate slide tackling is treated as a **red card offense** in Juniors, Intermediates and Seniors and determination as such is at the discretion of the referee.

***Any excessively hard challenge from behind is a red card offense.***
